

DR. ALEC PERLSON
26 SOUTH GREELEY AVE.
CHAPPAQUA, NY 10514

June 1, 2022

Dear Patients,

It is with mixed emotions that I announce my retirement as of June 1st from optometry. Caring for you, my patients, has been the most rewarding part of my 44 -year career in the eye care field.

I have come to know many of my patients and their families as friends and I am honored that many of you have asked me to care for two and even, three generations. I want to thank Jami Green and Arlene Hass for their incredible years of professionalism and service. They will remain with the practice through and after the transition.

I am excited to have Dr. Saara Hashmi take over the reins of the office. Dr. Hashmi is a licensed doctor of optometry who is experienced in and committed to providing quality eye care to all her patients. Dr. Hashmi attended Pace University for her undergraduate schooling and SUNY College of Optometry for her training. She is an outstanding optometrist and will take great care of you and your family.

I will turn over my practice to Dr. Hashmi during the next few weeks. Arlene and Jami will be staying to work with her and will continue to assist you throughout this transition. For more information about Dr.Hashmi, events, and upcoming promotions, please visit drspects2020.com.

Thank you again for your loyalty and confidence. I will miss all of you very much. Wishing you the very best of health and good fortune for the future.

Sincerely,

Alec Perlson, OD
